

Dear Hurricane Properties Investor,

Your investment profit has been transferred to your Bank account. Your investment is much appreciated and has allowed us to continue expanding our business even in these poor economic times. On that note, I'm happy to announce that we closed on an 18-Unit portfolio of three 6-unit buildings in October (shown below). This is our largest purchase to date and is a huge step forward for the business, bringing us to 57 units in our Portfolio. As we stabilize these buildings, we are still on the hunt for more large purchases. We're excited for what 2021 will bring for Hurricane Properties and wish you all the best in the coming year!

Sincerely,
